Dear Mr. Webb:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that BSA leadership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of leadership which the BSA seeks to provide for American youth. Please also understand that this decision and the reasons for it will be maintained as confidential.

If you wish to have this decision reviewed, please write to me, explaining your version of the facts supporting your claim that your registration as a BSA leader should be granted or reinstated.

**CANTON**—After weeks of trying to hammer out agreeable wording in a contract for St. Lawrence County workers, County Legislature Chairman Lloyd E. Muggs was authorized Monday to sign the newly ratified three-year accord.

However, two lawmakers who were on the committee that negotiated the contract opposed the move. "The difference is in overtime," Robert L. Snider, R-Star Lake, said. "I'm not too sure it was what was negotiated."

"It looks like we might be going to arbitration over a small amount of money," he said, implying the Civil Service Employees Association may not go along with the final wording of the contract.

The 19-2 vote by the board of legislators came after a nearly 1½ hour executive session called by Legislator and Finance Committee Chairman Bennett H. Abrams, R-Massena.

"They want to know if this was the same contract they voted on in negotiations," County Atty. William F. Maginn said.

Mr. Snider said Monday the differences in language could amount to a 2-percent difference in overtime pay for county workers. However, he declined to discuss the differences in detail.

The contract was ratified by both the county and the Civil Service Employees Association in February and March.
